Dear Mr. Nunnally:

Your letter to Mr. Coffey of July 16, 1971, concerning the adjusted division of the approximately 330 acres of excess land at the Fairbank Highway Research Station, McLean, Virginia, has been received and is in accord in every way with the understandings which you have had with CIA. Additionally, I would confirm that the understanding of your conversation with Mr. Coffey is correct, and our original request for transfer of this property (GSA Form 1334) may be adjusted accordingly as redrawn on the map accompanying your letter of July 16.

Your considerable efforts, culminating in the successful distribution of the excess Fairbank Highway Research land to the satisfaction of all parties, are recognized and deeply appreciated by our Agency; and we wish to assure you of our continued cooperation and support toward the final settlement of this land assignment.

Sincerely,
